## APPLICATION for Admission to the Master Thesis in the

summer semester 2024

winter semester \_\_\_\_\_

I declare

- that I have never completed or failed a Master Thesis in this programme at any other university within the purview of the German Basic Law and
- that I am not involved in a pending examination procedure of this kind at any other university.

I enclose both a proposal for the topic of the Master Thesis and suggestions for supervisors, and/or relevant documentation (e.g. a synopsis) in accordance with the programme's examination regulations.

My topic proposal has not been accepted for supervision by a professor. I therefore request a topic for my Master's thesis to be allocated and a supervising professor named.

**Consent for electronic plagiarism checks**

To check whether any deception in the form of plagiarism has occurred, written assignments are transmitted to a software service provider, where they are checked for possible conformity with other sources. In order to perform future comparisons with similar assignments, some features of the assignment in question may be stored permanently in a database. In order to enable the smooth running of the plagiarism checks, we would like to ask you to give your consent in accordance with Art. 6, para. 1, letter a GDPR. You are not obliged to give your consent. If you refuse to give your consent, the plagiarism checks will be carried out without using the plagiarism software. You may withdraw your consent at any time by notifying bibliothek@htw-berlin.de by e-mail **from your HTW e-mail address indicating your student-ID and your study programme**. Your withdrawal will not affect the lawfulness of the processing carried out on the basis of your consent up to the time of withdrawal.

<input type="checkbox"/>	I hereby consent to the transfer of my work to a software service provider for the sole purpose of the plagiarism checks described above.
<input type="checkbox"/>	I agree that the written assignment may be stored permanently in a database.

For information on the consequences of plagiarism as well as the revocation of this declaration, please refer to the web page entitled "Gute wissenschaftliche Arbeit" ("Good scientific practice") at <https://bibliothek.htw-berlin.de/index.php?id=8615>.
